I, the primary account holder, understand that under this agreement that I will be given notice by the District of all delinquencies on this account prior to disconnection of service.

I also understand that I am responsible to see that this account balance is kept current, as is any other Owner. Should this account remain delinquent, water service will be subject to termination under the policies of the District and shall not be reinstated until all debt on the account has been paid.

Owners and Renters- Any Frisco West account holder renting or leasing property to other parties are responsible for all charges due the District in the event a renter or lessee leaves any unpaid bills. The District will bill the renter or lessee for water service as a third party, but the Owner is fully responsible for any and all unpaid bills left by the renter/lessee. The Owner shall be required to sign an Alternate Billing Agreement. The Owner shall take responsibility for any necessary deposits from renter/lessee to ensure payment of past due bill. Frisco West may notify the Owner of the renter's past due payment status subject to service charges.

Deposit- I am responsible for the deposit that is required per the District's Rate Order. At the close of the account, the deposit will be applied to the balance. If there is a credit balance remaining, a check will be issued, payable to the primary account holder.
